EFT (Electronic Fund Transfer)

ISKCON of Houston

Hare Krishna,

Please consider helping ISKCON of Houston Community by donating every month through establishing Electronic Funds Transfer (EFT) with your account. Some of our projects:

- Educating everyone about Sanatana Dharma
- Establishing and maintaining the Arcana (Deity worship)
- Distributing Vedic literature
- Food for Life (free distribution of food)

Through these projects ISKCON of Houston Community is trying to revive the Vedic culture in North America. Every penny you contribute will greatly help us. All of your donations will be utilized to maintain the above-mentioned projects. Your contribution is tax exempt; also, you can adjust or cancel the EFT debit at any time.

Following are a few options you may choose to set an EFT for monthly donations:

- $16.70/day = **$501/month** or $6.70/day = **$201/month**
- $10/day = **$301/month** or $5.00/day = **$150/month**
- $8.37/day = **$251/month** or $3.60/day = **$108/month**
